FriendRaiser 2021

Stay with God!

Dear Friend,

In the past year, the world has seen some trying times! Individually, each of us has had more than our share of opportunities for discouragement and loss of hope, and I know some who felt they have had all they could take.

That is why we have chosen a very simple, but profoundly important, theme for 2021: **Stay With God!**

This theme was inspired by the song *Stay With God* by Judith Gayle, an artist whose music we will be airing on the New Life Africa Satellite Network when it launches on May 1st. The message of the song is simple...*"it doesn't matter what may come our way, there is only one place we are safe...stay with God!"*

At YNOP, it is our deep, heartfelt, desire to help you "stay with God". Every song and program you hear on YNOP has been carefully and prayerfully selected because we believed it would help someone in our audience to grow in their relationship with Jesus! Then, even in days such as the ones we live in, we would be prepared to stand firm in our relationship with Jesus, and wholeheartedly choose to stay with God!

As the need for people to know God is greater than ever, God is giving YNOP the opportunity to share His message with more people than ever!

Here in the United States, the reach of Your Network of Praise continues to grow as we will be adding new stations in Harlowton, Montana, and some other potential locations in 2021!

You may be aware that YNOP has been leasing KNIT in Salt Lake City since April, 2019. We are very excited that the Lord has provided YNOP the opportunity to purchase KNIT AM1320, and an FCC construction permit for a companion FM translator! The new 94.5FM in Salt Lake City, will reach about 1.2 million people and we are very grateful for the opportunity to expand the outreach in Salt Lake City so substantially in 2021!

As excited as we are about what God is doing here in the United States, I must say that we are truly in awe of what He is doing in Africa right now!

Even as you read this letter, our staff at New Life Radio in Boma Ng'ombe, Tanzania, is distributing 1,000 "ImpaX Player" units so more people can hear about Jesus! Each ImpaX Player has a radio which is fixed-tuned to New Life Radios' channel, 96.7FM, and an MP3 player with the Swahili-language New Testament recorded on it! As people are given these players, God will touch many hearts and bring people to Jesus as they hear about Him for the first time!

WELCOME JOSEPH KEBBIE TO NEW LIFE AFRICA!

We are excited to announce that Joseph Kebbie has joined us as Africa Director at the New Life Africa Satellite Network! Joseph is a resident of Ghana, with many years of Christian radio experience. He and his wife operate Vox Radio in Liberia, to reach youth with the gospel. At New Life Africa, Joseph will work with staff, programs, music, and more to help the Network serve the people of Africa effectively! Read his whole story at YNOP.org.

But, that's not all! Soon, the staff of Radio Uhai in Tabora will begin distributing 700 "Go Tell" radios, each one fixed-tuned to Radio Uhai's channel, 94.1FM. As these radios are distributed in a region where Islam has a stronghold on the hearts of many, we look for God to do some special things as His word is heard!

And, the most exciting development in Africa is unfolding even as you read this letter!

For the past few years we have been praying and thinking about the vast potential of a continent-wide Christian network to reach the people of Africa with the gospel. It seemed like an effort far too big for a ministry the size of YNOP, but we felt the calling to go forward anyway. A few months ago, YNOP's board of directors unanimously approved the establishment of the New Life Africa Satellite Network, and it is scheduled to launch on May 1, 2021!

New Life Africa Satellite Network will air several hours per day of Christian music and teaching in the Swahili language, and several hours per day in English. Even as I write this letter to you, God is moving...enabling us to work through every challenge, and He is already bringing the staff together that YNOP needs to get the job done!

New Life Africa Satellite Network

When the New Life Africa Satellite Network begins broadcasting on May 1, we will be feeding the network across the African continent on our own "direct-to-home" satellite channel, which reaches 50 countries, populated by about one billion people! Millions of African households are equipped with the receiver and small satellite dishes needed to receive the Network. It will also be streamed through our website www.newlifeafrica.org, and through Apps for mobile devices. The programming will also be available free of charge to radio stations across Africa that would like to carry it.

The founders of KXEI, the very first YNOP radio station, believed God's promise which He stated in Isaiah 55:11, "... so also is My word. I send it out, and it always produces fruit. It shall accomplish all I want it to and prosper everywhere I send it!"(TLB)

All of us at YNOP still believe that promise, and believe that as we begin sharing His priceless message of hope and salvation across Africa this year, that He will, indeed, produce fruit in the hearts of many!

As you can imagine, the financial needs we are facing this year are higher than ever! I suppose I should be intimidated by that, but since the very beginning of YNOP we have always seen God move, through His people, to provide what was needed every time He called us forward to do more.

Would you pray about partnering with us as we prepare for this year's FriendRaiser?

Please feel free to contact me if you have any questions, and thank you for considering joining us at this crucial time!

Your Friend in Christ,

Roger Lonnquist
