

# SUMMER CHALLENGE 2021

## ON THE AIR!

*New Life Africa Satellite Network debuted May 1<sup>st</sup>!*

Dear Friend,

As 2021 continues to fly by, God is moving in many ways!

Even as our country experienced the many challenges of COVID-19, and the fatigue caused by the other events of this past year, God has given hope and peace to so many as they have continued to look to Him. You may recall the promise that Isaiah wrote of so long ago, *"He will keep in perfect peace all those who trust in Him, whose thoughts turn often to the Lord!!"* (Isaiah 26:3 TLB)

There have been many times over the years when that peace evaded me, and spending time listening to the music and programs on YNOP helped me to *"turn my thoughts back to the Lord!"*

That's the story of a lot of people! And, as the world we live in so desperately needs God, it's no wonder that God is giving YNOP unprecedented opportunities to share His hope and His word in many new locations in the western U.S. and across Africa!

Here's what's happened at YNOP just since mid-March:

- Debuted the New Life Africa Satellite Network on May 1st
- Signed up about 40 FM affiliates in Africa to carry New Life Africa programs
- Completed the purchase of KNIT-AM1320 in Salt Lake City

**We praise the Lord for the successful launch of the New Life Africa Satellite Network!**

Broadcasting in English and Swahili, NLASN beams the good news of Jesus Christ across Africa on a satellite radio channel, online streaming, and on a growing network of local FM affiliates in several African nations.

Joseph

Justus

Talia

Jackline

Yohana

- Began preparations to build 94.5FM in Salt Lake City
- YNOP debuted on 88.7FM in Douglas, Wyoming
- YNOP debuted on 90.7FM in Casper, Wyoming
- YNOP debuted on 90.7FM in Denver, Colorado
- Received an FCC License for 107.9FM in Harlowton, Montana
- Began partnering in the operation of Vox Radio 97.5FM in Liberia

And, there's more coming in 2021 that we will soon be sharing with you!

I firmly believe that the rapid expansion of opportunities to broadcast the gospel has been given to us because the Lord desires that we reach as many people as we can, as quickly as we can, while we can! We don't know what the future holds, but we do know what God has given us to do right now, and with your prayer and financial partnership we will be able to complete what God has given us to do!

Our Summer Challenge broadcast is on the air Monday, July 12th from 6:00am – Noon. Please make plans to join us that morning so you can hear how God is working in the lives of listeners to YNOP, New Life Africa Satellite Network, and the radio stations we are operating in Africa. We will also be hearing from some of our new co-workers in Africa, who will share their unique perspectives on what is happening right now!

It will be a time of challenge and encouragement for each of us, so be sure to tune in!

All that God has given us to do has a financial cost associated with it...would you pray about partnering with us as we go forward? Your financial support and prayers are vital to everything God does at YNOP!

It is our daily prayer that you will be kept in perfect peace as you hear the good news of Jesus every day on YNOP! Please let us know if we can be praying for you (Prayer@ynop.org) and may God richly bless you!

*Your Friend in Christ,*
